

Camperships for Lake Lundgren Bible Camp 2024

Camperships to Lake Lundgren Bible Camp (Pembine Wisconsin) are once again being offered by Community Congregational Church (CCC) with a memorial fund established in Dr. Bob Derrig's and Elaine Jelinek's memory. Summer camp is offered for students in 2-12 grades.

See the website (www.llbc.org) for more information on camp dates for various age groups.

These camperships are being offered to children affiliated with Community Congregational Church, including youth from the Good News Club, as a church outreach supporting youth campers. Those who receive camperships will be responsible for their own transportation to and from camp, health forms, and any other miscellaneous fees for summer camp.

Because camp fees are non-refundable without a valid reason, we are asking families to register and pay the camp fees and the church will reimburse the families after the scholarship application is approved. If the youth decides he/she does not want to attend camp, the family is responsible to return the campership money to Community Congregational Church. **If there is a financial assistance need, for registration, please contact Debby Shimanek: 920-255-1165.**

Parents are responsible for choosing which week their child wants to attend and registering their youth on-line <https://llbc.campbrainregistration.com>. Some sessions fill up quickly. Check your family vacation schedules, sports camps, and summer school before registering for camp.

For questions and further information please call Debby Shimanek at 920-255-1165 or Church Office 920-388-2719.

Scholarship applicants need to fill out and return the form below to: Community Congregational Church, 502 Center Street, Kewaunee, Wis. 54216 by **April 2, 2024**. Diaconate will review applications and contact families about camperships.

Application for Lake Lundgren Bible Camp Scholarship

Please send to Community Congregational Church 502 Center St. Kewaunee WI. 54216, 920-388-2719
