"As the waters cover the sea,
so shall His glory cover the earth."

Hab. 2:14

Pastor Lubos led choir & band at Senec Outreach.

Kids received gifts and food in nearby villages as Maranatha teams shared Christmas joy through the RMI sponsored programs. (Abv left) Widows received food and hope at Mguda church fellowship. **Christmas is about giving because God gave His best gift to us: Jesus!**

Dear Friends and Family in Christ; We wish you all a wonderful Christmas and fruitful and blessed New Year. We have been very busy, with numerous concerts and celebrations during the holiday season. We also supported numerous actions for widows, orphan children and families in need. Through RMI programs in Malawi and Mozambique (see photos below), your giving helped Bishop Peter to continue showing the Love of Jesus during this time of giving! The Maranatha churches featured several feeding programs, giving out gifts of clothing and shoes through the local outreaches. Christmas in Malawi & Mozamb. are much more about community sharing and expressing God's love—Peace, good will toward men! And not so materialistic!

What is the Greatest Christmas Gift?

When I was 8 my Grandpa gave me a model gas station from the Sears Catalog! I was so excited I thought I would keel right over! Yet by the time I got past 6th grade, it was a bent-up ruin, and got tossed out! I had to learn-- the greatest joy in life comes not from what you get, but from what you can give to others! The things like forgiveness, mercy, justice, peace, & right-standing with God! Like the fruits of the Holy Spirit! Just as the prophetic word came to Joseph, that Mary "shall bring forth a Son...Jesus, for He shall save His people from their sins." Mat. 1:21. That's a Christmas gift that lasts forever! And the good news of that is truly the best thing we can share! Let's consider how to magnify that in 2026!

Below; the work continues on the new Church, ministry center, and pastoral lodging in Tengali. The new roof was supplied by RMI partners, as were new roof girders and panels for the new church building. Please pray for

Left: Ladies at Chikwawa receive new dresses for Christmas. The elderly get zero support from govt. so it's critically important for the church to care for them! (below Left:) Mark & our Christmas brass grp. minister Christmas carols at Trnava church! We also got to serve in Christmas concerts at Sered Teen Challenge, Sladkovicovo El Shadai Church, & Christian Centrum Galanta! Nothing like baritone, trumpets & saxes for Yuletide sounds!
